

## Main Features

- ♦ Providing 4x USB ports, you can connect to your favorite peripherals
- ♦ Support 1 x Giga Ethernet
- ♦ A rear loading battery charger enables charging MRC2000-E series and additional battery pack x1 at the same time
- ♦ Adjustable rubber feet of cradle ensure the optimal viewing angle
- ♦ Providing flexible optional I/O, e.g memory card slot or COM port to fulfill various applications

## Specifications

### I/O Ports

- ♦ 4 x USB 2.0 Ports(Max.)
  - ♦ 1 x LAN 10/100/1000 base-T Port
  - ♦ 1x Memory Card Slot, support SD, xD, MS and SM(Optional)\*
  - ♦ 1x RS-232 (Optional)\*
- \* Occupy 1 x USB2.0 port; System USB port (rear side) is decreased

### Power Input

- ♦ Power Input Voltage: DC19V/3.42A
- ♦ Batteries Charger:
  - Enable charging both MRC2000-E series and additional battery pack (3S1P) at the same time
  - Support 1 slot battery charging

### Indication LED

- ♦ Power LED(Solid Blue)
- ♦ Plug-In LED (Solid Orange)
- ♦ LAN Link (Solid Green when linking LAN)
- ♦ LAN Access (Glittered Yellow when accessing LAN)
- ♦ Battery status LED (charging: Glittered Orange, full charge: Turn Off)

### Dimension

- ♦ 235.7mm x 207mmx 150mm

### Construction

- ♦ Plastic (ABS+PC)
- ♦ Metal (SECC)

### Environment

- ♦ Operating temperature : -20°C to 50°C
- ♦ Relative humidity: 5% to 95% RH non-condensing
- ♦ Drop testing: 4 feet

### Certifications

- ♦ CE approval
- ♦ FCC Class B

## Ordering Information

- ♦ **MTK-DOCK-02 (P/N: 10UK0DOCK02X0)**  
Desktop Docking Station With USB/Giga Ethernet
